The Children's play centre is something special and is designed to provide a safe and happy environment for all children of all ages. The spacious playground includes swings, slides, an air conditioned movie room, a Play station room and a fully operational carousel with it's very own spinning tea cup which runs daily. The area is fenced and is able to be viewed from either outside or in, and the play station room is also on camera at all times with viewing from the coffee location.

On this date DCO would also like to extend a warm welcome to any DSNSG members and families who would like to attend.
