

Autism/Asperger's Training Sensory Detective® Workshop

For Teachers, Health Professionals & Families

Nelle Frances - author, consultant, parent, educator, sensory guru...

Provides a detailed description of individuals with Autism/Asperger's Syndrome, including profiles on the neurology, biology, cognitive processing, perception differences and learning styles of those with ASD.

You will learn **specific techniques for dealing with challenging behaviours** and **meltdown** how to de-escalate situations with students/clients with ASD.

The training includes Nelle's high-impact **Sensory Detective Workshop®** - an interactive exercise that allows you to look at ASD from the inside out! You will learn first hand that the response to sensory stimuli influences all behaviour, emotional development and academic progress of those with AS.

OUTCOMES

- deep understanding of Autism/Asperger's
- in-depth knowledge of characteristics
- knowledge of biological traits of ASD
- in-depth knowledge of physiology of meltdowns
- recognize sensory agitation
- link sensory issues + all behaviour
- ability to establish accommodations/differentiations

The day includes information about Puberty, Sexuality and Relationships and post-school transitioning techniques.
