COMPUTER 4 KIDS GUIDELINES AND CRITERIA 2020

BACKGROUND

Computers 4 Kids is a program where Defence Special Needs Support Group Inc (DSNSG) can assist with the purchase of an iPad for families to use to support their child or children with Special Needs, with their education and everyday living skills. An iPad is the best form of assistance as it is portable, lightweight, it can be taken everywhere and takes up minimal space.

Families can download great applications suitable for the individual needs of their child. There are many applications available to assist with behaviour, motor skills, learning, literacy and can be essential for communication.

CONTRIBUTION

Members will need to pay a contribution towards the iPad to be eligible for this program.

- iPad 32gb @\$529.
- Members pay 1/3 of cost being \$172.67
- Defence Health contribution \$172.67
- Defence Community Organisation contribution of \$172.67

Once the application has been approved, the letter of acceptance will be sent to the member with an invoice detailing the method of payment and the amount of the family's contribution.
